Foster Volunteer Agreement

I agree to the following guidelines:

1. If any of my foster animals become ill, I will notify the Humane Society of Iredell (HSI) immediately. My foster contact is:

Contact Name _____ Phone _____

2. I understand that the animals are, at all times, owned by the Humane Society of Iredell, and if the HSI veterinarian determines that a foster animal is beyond treatment, the animal will be humanely euthanized. If the HSI veterinarian determines that a foster animal can be treated in the foster home, it may return to the home.
3. When the foster period is complete, I will return the animal to the HSI. I will surrender this pet when asked by a Humane Society Volunteer working under a Coordinator. From time to time, a foster home falls in love with a foster pet and wants to keep as a personal pet. I understand that if approved, I may adopt this pet at the adoption fee set by HSI. However, I understand when HSI asks for the pet (to attend an adoption fair, to the PetSmart adoption room (cat), or because of a pending application, etc.) I have three days to decide whether to adopt this pet. Then I agree to complete the applications and/or contract, and pay the adoption fee by the 3rd day.
4. I understand that HSI is not responsible for any damage caused by the foster animal(s).
5. HSI can conduct an inspection of my home and animal care facilities.

I understand that if the Humane Society of Iredell incurs attorney's fees and costs in order to enforce the above conditions on behalf of my foster animal(s), I am legally responsible for these costs and agree to pay for all said attorney's fees, and expenses incurred due to enforcement of above conditions.
